### **Summer Board of Directors Meetings:**

Tuesday, June 14, 2022 – 7:00 p.m. in the main hall

**No Board Meetings in July and August.**

### **President's Message:**

Even though Summer hasn't officially started yet, the long hot days seem to be here already. With the added heat and humidity, we all must be vigilant on hydrating, not just humans but, also our pets. Remember paws can be burnt on hot sidewalks and asphalt in just a few minutes of walking.

I want to remind residents who have visitors with pets that their dogs must be always on a leash, and to please pick up after their dog. Also, if the guest is here for more than the 30 days, they will be subject to a background check. This is for the safety of our residents as well as other guests.

Please familiarize yourself and your guests on our rules and regulations. This helps everyone in our community.

In conclusion, I'd like to thank everyone for the efforts on the roofing issue. I'm hoping the Florida legislature will do what's right for Florida! It's imperative that they do something!

I want to wish everyone a happy 4th of July! If you travel this summer, stay safe. (I will be out of the country myself for a couple weeks in August, to Portugal)

**Have a great summer! Raul Ramirez**

### JOKE CORNER:

## Psychiatrists vs. Bartenders:

Ever Since I was a child, I've always had a fear of someone under my bed at night. So, I went to a shrink and told him: 'I've got problems. Every time I go to bed, I think there's somebody under it. I'm scared. I think I'm going crazy.' 'Just put yourself in my hands for one year,' said the shrink. 'Come talk to me three times a week and we should be able to get rid of those fears.' 'How much do you charge?' 'Eighty dollars per visit,' replied the doctor. 'I'll sleep on it,' I said. Six months later the doctor met me on the street. 'Why didn't you come to see me about those fears you were having?' he asked. 'Well, eighty bucks a visit three times a week for a year is an awful lot of money! A bartender cured me for \$10. I was so happy to have saved all that money that I went and bought me a new pickup!' 'Is that so!' With a bit of an attitude he said, 'and how, may I ask, did a bartender cure you?' 'He told me to cut the legs off the bed! - Ain't nobody under there now!!!'

### **FORGET THE SHRINKS. HAVE A DRINK & TALK TO A BARTENDER!**

May your troubles be less, your blessings be more, "There are good ships and wood ships, ships that sail the sea, but the best ships are friendships, and may they always be."

## Safety Issue:

Recently a resident was seen jumping over the fence to get in the pool area. This is a very dangerous thing to do, especially for anyone that is old enough to live here.

Please, for your own safety, do not jump over the fence to get into the pool area. If you don't have an entrance device, ask someone to let you in or go home and get yours.

## A Wonderful Thank You Retirement Party for Pam:

We will never forget her and will miss seeing her smiling face. She was truly a treasure. But we gave her a good send off. Many people who hadn't left for the summer or were not away due to previous plans attended. I think she was both pleased and amazed at the turnout. Thank you to all who contributed money, cards, food, a good word for Pam and those who stayed behind for cleanup.
