

Food Pantry Monday July 29th.

Please go to the **clubhouse library** where you can get a numbered poker chip starting at **12:00 pm**. If you are getting food for your neighbor, please take a second poker chip.

You will enter the auditorium via the kitchen.

Please return your poker chip before entering the room to get the food.

Food should be delivered between 12pm and 12:30pm. Once the food is placed on the tables, you will be called into the main hall to select your food starting at 1 pm.

You will be limited to **one meat the first time through. You may also be limited to one of the other items depending on the quantity we have.**

Once everyone has gone through once, you may go back around for additional items.

If you have a neighbor that can't make it you may select items for them, just let one of the volunteers know who else you are taking food for.

If you are a volunteer, please be at clubhouse by 12:00.

Any questions feel free to call Jennifer Hanks at 508-245-7427
