

REASONS FOR VOTING NO

Springwood Villas II

Proposed 15A(3) Declaration Change

A few members say leave it alone.

- Why make a change before it is needed?
- Why not explore other options for effectively managing Villa roof replacements when the time comes up.
- Why should I care about the Villa roofs if I live in a stand-alone home?
- This issue needs more time to study the roof conditions.

Now it is up to YOU!

- Your vote is extremely important. Before changes can be made to our declaration, we need two-thirds of the members to agree to the proposed changes.
- Please read through the pages that are being sent to you regarding the proposal. VOTE NO if you do not want the Villa owners to take care of their own roofs at the time they want.
- If you have any questions please call a Board member.
- Most importantly PLEASE VOTE.
