### **President's Message:**

#### **Board of Directors Meeting:**

**Wednesday, May 9, 2018 at 2:00 p.m.**

#### **Community Update:**

April brought us 'showers of community spirit'! The large number of community members who attended the Special Board Meeting on April 9 was outstanding. And the regular Board Meeting on April 10 also saw a good turn out by the community. Just as encouraging is the fact that currently five members of the community have stepped up and stated their willingness to serve on the board, filling the existing vacancy. Anyone wanting to be considered for the vacant position on the Board could let me or Art D'Elia know of your interest. We also had several community members sign up for Committee responsibilities. And more volunteers are needed! These demonstrations of community spirit are a blessing for our Association. The more people who engage in the work of keeping our community in good order the greater is the understanding of the needs and responsibilities of Condominium living in Springwood Villas II. Your participation helps build a positive community spirit to be enjoyed and treasured by all!

It is my sincere hope that this momentum grows and is seen at the 2019 Annual Membership Meeting where your vote for new Board members has an important impact on our Community.

The May Board meeting will be held on Wednesday May 9 at 2:00 in the afternoon. I hope to see many of you there. During this meeting filling the vacancy on the Board will be on the agenda.

Improvements and repair work is underway. The masonry wall behind the units on Springwood Blvd is being repaired and repainted. Our new street signs will be installed soon. It took three attempts, by the street sweeper, but we now have cleaner streets giving our community a fresh look. My thanks to the block captains who patiently called their neighbors advising of the street cleaning dates and thanks to all of you who moved your vehicles off the streets for the street sweeping.

Many owners have also been making improvements to their units including new roofs, new windows, painting and gardening. My thanks to you for the pride you are showing for your own home and your community too.

I will continue to do my best to serve the community and I thank you for your confidence and support. – Donna Keher

**Message for the Block Captains:**

Recently three situations arose within a few days of each other, which required me to call each block captain with information to pass on to our residents. One captain was away for a few days, which I found out accidentally, so I called her resident list for her. No problem. I was happy to do so. However, while making these calls I discovered one resident no longer lived here, but kept his phone number, and seemed quite annoyed at being called, plus, there were four numbers no longer in service. Snowbirds? Empty home? New phone numbers? I had no way of knowing.

Ladies, if you plan to be away for more than a day would you please call me and let me know so I can cover for you if the need arises? A few of you already do this and it's appreciated. Thank you. Also, if you have any information different than that on the sheet I gave you in November, please pass it on to me so I can update the master list. Thanks in advance for your help. It's always a pleasure talking to you regarding our Neighborhood Watch concerns.

### Important Notice:

## Spectrum Service Change:

Spectrum has announced that beginning in July any cable subscriber who doesn't have a cable box will not be able to receive the basic channels.

If you don't have a cable box you will need to get one. In the fall of 2017, the Board of Directors negotiated a free cable box as part of renewing our contract. Normally there is a monthly charge for the use of their cable box equipment.

Some residents who have taken advantage of the free cable box have reported that there was an additional charge associated with the box. The additional cost was most likely due to the price for the type of package chosen.

Spectrum offers four (4) TV packages:

1. Select – This is the new basic package
2. Silver (*plus Select*)
3. Gold (*plus Select and Silver*)
4. MI Plan Latino  
(*Spectrum Basic + Latino Channels*)

All four (4) packages have a cost attached to them.

You can obtain a free cable box by going to a Spectrum outlet or have one delivered to your door by calling 855-222-0102.

I posted a copy of the different plans Spectrum offers on the office bulletin board. Remember, you get a free box, but the service may be an additional charge.

I already have two (2) cables boxes but wanted a third one for the bedroom. I saved \$21.45 per month by downgrading to the Select package. If I didn't change my package I would have received an approximate \$4.00 per month increase.

### ***On a good note:***

Residents who presently use Spectrum as their internet provider will get an increased access speed. The internet speed will increase from 25 megabits to 100 megabits per second.

This will happen once you choose the type of Spectrum package that suits your needs.
