### **President's Message:**

Here is an update of what's been accomplished in 6 months:

- 1) The Villa Painting Project was completed.
- 2) Shuffleboard benches were rebuilt by myself, saving \$3,000 and 5 courts were redone and the awning replaced.
- 3) The Clubhouse roof was replaced with 50-year materials.
- 4) The fence project was completed.
- 5) The worst sidewalks were replaced
- 6) The Clubhouse parking lot was resealed, and new lines painted.
- 7) The Clubhouse duct work was cleaned
- 8) The Lake Fountain was installed and is a great addition to our community.
- 9) The Clubhouse floor was refinished.
- 10) A Compliance Committee has been formed and new rules have been approved.
- 11) New led lights have been installed in Clubhouse.

- 15) The front of the Clubhouse has been cleaned up.
- 16) There were many more projects that I wanted to accomplish but my failing health keeps me from doing these.
- 17) Most people when you read this, I would have resigned from the Board. I need to have more surgeries for blood clots and AAA (*abdominal aortic aneurysm*) after having open heart surgery for quadruple bypass after a heart attack on July 4, 2019.
- 18) I would like to wish Linda D'Elia a speedy recovery and thank you to Art for all the help he has given me.

***Thank you to all of you that have helped my family and make Springwood Villas II a special place to live. But I must say goodbye and God Bless.***

***“All are welcome, we hope to see you there”***

I have been pleasantly surprised by how many people in our community have had interest in John's health.

Thank you everyone for wishful thoughts, get well cards and prayers for John Bakalarek,

He has had a very hard time, because his health has greatly depreciated. John has been in and out of the hospital numerous times.

He is under the watchful eye of health care professionals because of his health.

He does have strength to persevere and does listen to his doctors.

John is very grateful for all the support he has received.

Thank You, and God Bless. Joanna Golz – a friend.

**Grounds Maintenance:**

We had a very difficult summer for our lawn maintenance. The constant, heavy rains saturated the grounds to the point where we couldn't allow the heavy cutting equipment to come in.

Many of you know that when the grounds become soft and mushy the heavy equipment will cause ruts and do more damage than good.

Per our rules and regulations, no one is to bother, stop or question workers that are contracted to do work for the Association.

If you have an issue or concern, please contact me at 727-546-6398. If I don't answer, leave a message. If the issue cannot wait, contact any director or the management company. *Submitted by Art D'Elia*

**Annual Tree Work:**

The pruning of the palm trees and some of the large oaks was scheduled to begin in the latter part of August. Due to the heavy rains the schedule has been pushed back to sometime in September.

The palm trees on the west bank of the clubhouse pond are being pruned. Any palms that are growing into the larger oaks will be removed, as well as 10 Brazilian Pepper Trees. *Submitted by Art D'Elia*

**Storm Drains:**

We used to have volunteers to keep the storm drains clear of debris. Where are you? The drains on Azalea Park Drive and Orange Blossom Road are constantly being blocked. I cleaned it twice this summer. I've noticed that someone has cleaned that drain as well, thank you. I also cleaned the drain on Hyacinth Place. The water was so backed up there, it sounded like a raging river. The water came from our street and the private homes on the other side of the vinyl fence.

I take care of the 3 drains on Rosewood Court where I live. Please consider helping your community by doing this not so difficult deed. *Submitted by Art D'Elia*

## Dog Owners:

Sometime around the middle of July there was a couple of days with heavy rains. While on a walk, I noticed that the clubhouse garbage cans were half full of water.

I turned the garbage can over to remove the water, along with the water came grocery bags and smaller poop bags that were filled with water and dissolved dog poop.

This is not acceptable. You own a dog, have the courtesy to bring your dog's poop home with you. I would like to think that maybe the person(s) who are doing this, don't realize that many times the garbage men don't dump the entire garbage can. They just remove the bag. As a result, the bags with poop in them don't get taken away for several weeks. Or permanently get stuck at the bottom.
