Board of Directors Meeting:

Tuesday, October 11, 2022 – 7:00 p.m.

Workshop Meeting:

Wednesday, October 26, 2022 – 3:00 p.m.

Message from the President:

October arrives on the coattails of Hurricane Ian. As I sit here writing this, the community is preparing for a possible hurricane coming our way.

I know our Hurricane Committee is on top of this, making sure residents are secure before the storm.

I am also overseeing the 6th pipe break in our community in the last 90 days. Our pipes are over 50 years old and are starting to fail.

Speaking with the plumber about what can be done to slow this process.

He mentioned that many 55 and older communities do not allow residents to park on the sidewalks where the pipes run under. The pressure of a car's weight on the sidewalk especially those who park close to the lawn will cause pressure on the pipes below. Can you imagine the pressure from the large service trucks?

Also, no one should ever park on the lawns or in the yard, the pipes run right under.

I have asked the plumber to come speak to the community at the next board meeting to help explain the pipe situation.

While talking, we toyed with idea that if residents parked in the street, it might also help slow down speeders in the community. Just a thought.

Wishing everyone a wonderful start to fall.

North and South Water Zones:

There are two water shutoff zones in our community. Not all residents are aware of what zone their unit is located in.

The South water shutoff zone goes from the south side of Orange Blossom Road to the white vinyl fence along Palm Crest Court.

The North water shutoff zone goes from the north side of Orange Blossom Road to the concrete wall on Acacia Trail.

The clubhouse facilities are in the South section. When the North section is shutdown, residents can use the clubhouse facilities when needed.

Let's Be Respectful:

Many articles have been put into the Springboard reminding residents to pick up after their dogs, and to not let them urinate on shrubs.

Yet time and time again some dog owners show no respect to their fellow residents.

Often, I find dog poop left behind. I usually pick it up because I don't want all dog owners to get a bad reputation.

When you're out walking your dog, please do not let them urinate on your fellow resident's landscaping. If your dog defecates, have the courtesy to pick it up.

Your cooperation will be very much appreciated by all who live here.
