Board of Directors Meeting:

Monday, December 18, 2023, at 7:00 p.m.

Message from the President:

On November 11th the Board of Directors sponsored the second Friendsgiving event.

I want to thank the many members of our community that organized this wonderful event and the many members that brought sides and desserts to go along with the turkey and ham.

The social committee ran a 50/50 with the proceeds to go to buy toys for the less fortunate kids in our area.

Also, they had the fire department come to the clubhouse for a photo shoot promoting the generosity of our community.

Ongoing tasks:

Have a few paint samples in the office of possible colors to paint the clubhouse in 2024.

Working with our insurance agent to get the best price possible for the association's insurance.

NOC for the lanai repairs was signed and notarized. Waiting on permitting and start date.

Identifying which residents have electrical boxes that pose a safety concern due to the breakers not tripping. If you have an electrical box with narrow colored circuit breakers it should be upgraded to be in code. One manufacturer of these boxes is Zinsco. If you have all black circuit breakers, you should be fine. We would appreciate the help of the residents to identify where these boxes are. We will not be able to get Citizens to quote us on our association insurance until all boxes are upgraded to code. If you are unsure about which box you have, you can ask a board member to assist you.

Merry Christmas and a Happy New Year.

Joke Corner:

- Old age makes us great at multitasking. Why, I can sneeze and pee at the same time!
- One benefit of old age is your secrets are always safe with your friends . . . because they can't remember them.
- Stop thinking of them as "hot flashes." Think of them as your inner child playing with matches.
- How is the moon like dentures? They both come out at night.
