

Jingle & Mingle!

Guest guitarist Jeremiah sang and led the residents with many of the favorite holiday songs we all know so well.

Richard Hilliard played holiday tunes on the piano. Both are very talented musicians! Thank you both for a great evening of music!

Residents had a great evening singing along to holiday favorites . . . While enjoying the delicious assortment of holiday cookies and punch!

Board of Directors Meeting:

Tuesday, January 10, 2023.

Message from the President:

As we say goodbye to 2022, Springwood II rolls into the new year on the momentum of a community coming together again after sheltering during the Covid crisis.

November and December saw several events filled with people old and new, enjoying the holiday season, catching up with friends, meeting new and just enjoying the festive atmosphere.

With the recent revitalization of the Clubhouse piano, it is once again tuned up and ready for residents use. The piano is close to 100 years old, made locally and, because it was covered by boxes and stuff, had little wear or tarnish. It was in a controlled atmosphere. The piano was an added accent to the holidays! Thank you, Richard Hilliard for overseeing the project and for playing at the "Jingle and Mingle" event, as well as Jeremiah, our guest guitarist! Both very talented! Thank you both!

Of course, the new year still has its challenges. Our aging pipes were a constant battle this year and will continue to do so, the roof insurance crisis that has affected everyone in Florida, especially communities like ours and, our quickly aging sidewalks and streets. The improvements made this year are just the start, there is still a long way to go.

In the works right now are pursuing night swimming and repairing many infrastructure items.

Here is hoping Florida will address the roof crisis in a session that's taking place as I write this letter. It is much needed legislature.

I'd like to wish everyone a Happy New Year!

May 2023 be a good year! Thank you, Raul

PS:

Added big thank you to Art DELia for his 7 plus years doing the Springboard newsletter. Your dedication is appreciated by all the residents!

Art is stepping down from his responsibilities to the Springboard!

From the Editor:

The Bible Study and Food Pantry events were not added to the December calendar as I didn't have the proper schedules available at the time the Springboard needed to be sent to the printer.

I do the best I can each month to prepare a newsletter that is easy to read and looks good.

It's been my personal pleasure preparing the Springboard for our community.

However, after doing the Springboard for 7 years and 3 months, it's time for me to give it up.

Maybe the ones who like to criticize can step up and assume the preparation of the Springboard.

Thank You for your Prayers:

Artie and I would like to thank all of you for your prayers for our great granddaughter to be healed and recover from her illness.

Meilani is only 5 months old and has been stricken with a rare form of leukemia.

She is presently at St. Joseph's hospital in Tampa where she is receiving

extensive chemotherapy. She will be at St. Joseph's for at least 6 more months receiving chemotherapy in 10-day cycles.

A special thank you to Richard Bennett and Laura Nugent for coming to our home and leading us in pray.

Also, thank you to Donna and Marc for their prayers and go-fund-me donation.

The power of prayer is very strong, please keep them coming. Meilani needs them.
