Board of Directors Meeting:

Tuesday, February 24, 2026, at 7:00 p.m.

Message from the Board:

We've hit the ground running this year with our roof and sidewalk cleaning projects! Mother Nature decided to slow us down a bit with some unexpected weather, but we are working hard to catch up. Thank you for your patience and for being such a great community.

As we move into **2026**, our primary focus is on enhancing and maintaining our shared spaces. We have several significant community improvement projects planned for the year, including:

- **Security Upgrades:** Installation of a new Fob system.
- **Accessibility Improvements:** Installation of a new handicap-accessible door.
- **Aesthetic Enhancements:** Professional painting of the clubhouse.
- **Infrastructure Maintenance:** Necessary drainage repairs and fixes.

While these are our current priorities, we remain open to additional projects that benefit our residents. As these initiatives begin, we welcome the continued support and assistance of the community

Please be advised that there have been recent **coyote sightings** near the lake. For the safety of your pets, please remain vigilant and keep a close watch on your dogs while walking them in that area.

As a reminder, all residents are responsible for **cleaning up after their animals**. Maintaining a clean environment helps keep our community safe and pleasant for everyone.

Kudos to the Board

I think it's time to acknowledge the Springwood II board for all the work they have done and continue to do for the community.

They are working on infrastructure, which has been overlooked for some time, but is very important for maintaining the community.

They are financially responsible finding new ways to save money without discontinuing activities.

Roof cleaning which keeps us looking attractive and desirable has been reinstated.

Offshoot committees of the board have been doing a wonderful job as well. Keeping the clubhouse decorated, increasing social activities and overseeing the community.

Board memberships and committee members are volunteer positions and they are working very hard. Kudos and thank you to all of you.

Thank You:

I want to thank all my wonderful family, friends and neighbors for your well wishes, visits to the hospital, rehab, and my home since my recent injury.

Big Difference

The before and after difference of the above photo is very noticeable.

Once this project is completed, our community will again look aesthetically pleasing and will increase home values and sales.
