Notes from the Board of Directors:

As we head into this beautiful autumn season, it brings a lot of natural changes—and an opportunity for all of us to work together to make our community an even better place to live!

Here are a few quick but important updates from your Board:

Hurricane Preparedness: We are currently in the peak of hurricane season. The board is working hard behind the scenes to minimize potential storm issues, but please take a moment to ensure your own family is prepared. For helpful guides, checklists, and local updates, check out the **Pinellas County website** at Pinellas.gov.

Join the Board! Elections are coming up soon, and we would love for you to consider running. We've received so many fantastic ideas from residents lately and bringing in new voices is exactly how we keep Springwood thriving. Come help us shape the future of our neighborhood!

2027 Budget & Teamwork: We are already hard at work on next year's budget. Our absolute priority is to minimize the financial impact on your household while still ensuring we have the funds to maintain our beautiful community.

How you can help keep operating costs down:

Springwood is our shared home, not an apartment complex, and we all have a stake in its upkeep. While our dues cover regular maintenance, hiring outside contractors for small, everyday tasks adds up quickly and can drive our fees up.

If you see a piece of trash, notice a drain that needs a quick clearing, or spot a minor task you can easily pitch in, please take a moment to help!

When we look out for these small things together, it saves everyone money and keeps our community looking great.

Thank you all for doing your part to make Springwood such a wonderful place to live.

Warmly,
The Board of Directors
